Col. Parker Hitt
Signal Officer
Fifth Corps Area
Fort Hayes, Ohio

Dear Colonel Hitt:

Your address, as above, has just been given me; and I am very glad to learn that you are "back in the saddle" and to be able to infer from that fact that you are in good health.

Four years ago I wrote you a letter with which I sent you a printed document entitled "Chaocipher - the Ultimate Elusion." I said at that time that I would write you again, but various circumstances, including my own very ill health, prevented me.

In the past several months, I have had much to do with the Bell Telephone Laboratories, including R.D. Parker, with whom you may be acquainted.

I should like very much to hear from you again. Have you that printed "Chaocipher" document by you? I would like to tell you all about it and some experiences in connection with it; and I will do this immediately I hear from you.

Very sincerely yours,

J.F. Byrne
